

A photograph of a market stall. In the foreground, a large pile of bright orange citrus fruits, possibly tangerines or small oranges, is displayed. Behind them, a white sign with black and red text reads "hustle & bustle". The background is slightly blurred, showing more market stalls and produce, including a bag of green grapes. The overall atmosphere is one of a busy, vibrant market.

Sights & Sounds of North End Road Market

Fulham is my village
My roots are deep and strong
My childhood was so happy
In this place where I belong

On Friday nights all the kids
Went shopping with their mum
North End Road was ablaze with light
And the Sally Army banged their drum
